Florida KidCare Eligibility

The figure on the previous page provides an overview of the major Florida KidCare program functions assigned to each Florida KidCare program partner. Below is a breakdown of what it illustrates:

- Children ages 0 through one, up to 200% of the federal poverty level, are covered under Medicaid (Title XIX and Title XXI funded)
- Children ages one through five, up to 133% of the federal poverty level, are covered under Medicaid (Title XIX funded)
- Children ages one through five, at 134% to 200% of the federal poverty level, are covered under MediKids (Title XXI funded)
- Children ages one through five, above 200% of the federal poverty level, are covered under MediKids full pay
- Children ages 5 through 18, up to 100% of the federal poverty level, are covered under Medicaid (Title XIX funded)
- Children ages 5 through 18, at 101% to 200% of the federal poverty level, are covered under Healthy Kids (Title XXI funded)
- Children ages 5 through 18, above 200% of the federal poverty level, are covered under Healthy Kids full pay

Children's Medical Services for children with special health care needs is available for Title XIX and Title XXI-funded children.
